Schaltnetzteile
Switch Mode Power Supplies

Customized Solutions
Made in Germany

Hochtechnologie High technology

Ihr Spezialist für die Entwicklung und Herstellung kundenspezifischer Schaltnetzteile und Stromversorgungslösungen.

Your specialist for the development and production of customized switch mode power supply solutions.

- AC/DC, DC/DC converters, UPS, chargers
- Open board, open frame, housing solutions
- 0.5W – 1KW
- 106 employees
- Certified according to DIN ISO9001/ISO14001
- 510,000 power supplies p.a.
- 480 active products
- 50 new development projects p.a.
- 120 customers worldwide

Gebäudesystemtechnische Anwendungen Building systems technology applications

Netzwerk-/Übertragungssysteme Network transmission systems

↑ High efficiency

Automatische Drehtürantriebe Automatic swing door drives

↑ Small + peak power

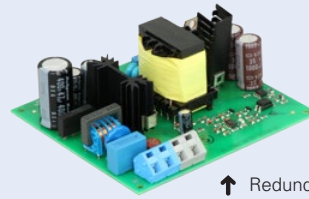

KNX Gebäudekommunikation KNX building communication

↑ Compact design

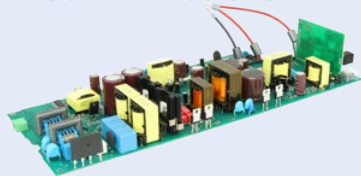

Rollo-/Jalousiesteuerung Blind control system

↑ Redundant

Batterie-/Versorgungssysteme Battery power supply systems

↑ AC + intelligent battery management

Highlights

- Effective and large development team & lab
- Multiple output voltages
- Fanless solution (only convection cooled)
- Experience in International Approvals: IEC/EN 60335-1
- KNX filter technology
- Long life ≥ 10 years
- No power derating up to $+70^{\circ}\text{C}$
- Low EMC - EN55022 CLASS B, EN61000-6-3
- Coating@inpotron approved by UL
- Factory surveillance: UL, SIQ, VDE, CSA
